Facility Outbreaks in Peterborough County and City

Alert Date: 2016/04/18 Time: 12:00 hrs (Alert # 023)

This table is updated when a new outbreak is declared, when a causative agent is identified and/or when an outbreak is declared over. If you have questions about these outbreaks, please contact the facility. For further information, call Infectious Diseases program staff at (705)743-1000. This information is posted on www.pcchu.ca. The following facilities in Peterborough County and City are experiencing an outbreak:

Facility Name	Address	Phone	Onset of First Case (Y/M/D)	Date Reported (Y/M/D)	Type of Outbreak	Causative Agent	**Recommendations**	**Health Unit Contact Person**	**Date Declared Over (Y/M/D)**
Riverview Manor	**1155 Water Street, Peterborough, ON K9H 3P8**	**705-748-6706**	**2016-04-04**	**2016-04-11**	**Respiratory**	**Influenza B** **Respiratory syncytial virus (RSV)**	**For RSV, staff/volunteers working at this facility should be advised not to work at any other facility until seven days after their last day in this outbreak facility provided they are asymptomatic (as the longest incubation period of the two organisms identified is RSV at 7 days).** **During a laboratory-confirmed influenza outbreak, only immunized staff who have been immunized at least two weeks prior to outbreak declaration should be working in the outbreak facility and have no restrictions on their ability to work in other facilities. Unimmunized staff may resume work at this outbreak facility as soon as they are taking antiviral prophylaxis.**	Danika Wentzel PHN
