

Facility Outbreaks in Peterborough County and City

Alert Date: 2013-02-27 Time: 09:15 hrs (Alert #023)

This table is updated when a new outbreak is declared, when a causative agent is identified and/or when an outbreak is declared over. If you have questions about these outbreaks, please contact the facility. For further information, call Infectious Diseases program staff at (705)743-1000. This information is posted on www.pcchu.ca.

The following facilities in Peterborough County and City are experiencing an outbreak:

Facility Name	Address	Phone	Onset of First Case (Y/M/D)	Date Reported (Y/M/D)	Type of Outbreak	Causative Agent	Recommendation for Staff/Volunteers Working In Other Facilities	Health Unit Contact Person	Date Declared Over (Y/M/D)
Applewood Retirement Residence	1500 Lansdowne St. West Peterborough, ON	705-749-1500	2013-02-21	2013-02-25	Respiratory	Influenza A	Staff/volunteers who have been vaccinated with 2012-2013 influenza vaccine are permitted to work at this facility or at other facilities providing uniform is changed between facilities. Staff who have been vaccinated for less than two weeks at the time the influenza outbreak is declared should take antiviral prophylaxis for two weeks after vaccination or until the outbreak is declared over. Unvaccinated asymptomatic staff currently taking antiviral prophylaxis can continue to work in the facility. Unvaccinated staff who wish to work in other facilities must be asymptomatic for 3 entire days before working in another facility.	Sarah McBride, RN, PHN
