

# Breastfeeding?

## Celebrate World Breastfeeding Week 2012

Join us to celebrate breastfeeding in a fun "competition" where every child wins because they are breastfed.

This event is part of a global challenge to see which community can have the most breastfeeding babies "latched on" at 11:00 a.m. local time.

After the breastfeeding challenge, stay and enjoy a family-friendly movie, door prizes, and refreshments.

Participants will receive a free digital portrait provided by **Digital Heat Photography**
